

# Gunavanth Reddy Yeddula

London, UK | (+44) 7818071796 | Gunavanthreddy06@gmail.com | LinkedIn

## PROFESSIONAL SUMMARY

---

Detail-oriented IT professional with a background in Electronics & Communication and ongoing MSc in Cyber Security Management. Experienced in cybersecurity infrastructure, VAPT, Linux systems, and AI-based automation, alongside strong skills in hardware troubleshooting and IT support. Recognized for leadership in student organizations and awarded for community service. Combining technical expertise with adaptability, ready to contribute to roles spanning cybersecurity, IT operations, and support (e.g., SOC Analyst, IT Support).

## KEY ACHIEVEMENTS

---

- Assisted in the implementation of enterprise security measures at Nokia, helping safeguard critical infrastructure.
- Streamlined workflows using **Robotic Process Automation (RPA)** tools, reducing manual workload and improving efficiency
- Applied AI-based vision systems for PCB verification, enhancing accuracy and quality assurance
- Served as **Vice President of Rotaract Club**, leading 20+ volunteers; awarded **Best NSS Volunteer** for community service impact.

## CORE TECHNICAL SKILLS

---

- **Cybersecurity & IT Security:** VAPT, Burp Suite, OSINT, IDS/IPS, Threat Profiling, Internet/Network Security
- **IT Support:** Hardware Troubleshooting, Networking (LAN/WAN, DNS, TCP/IP), Linux Systems, Python, RPA Tools

## SUPPLEMENTARY SKILLS

---

- **AI & Emerging Tech:** Prompt Engineering, AI Tools, Machine Learning , AI-based Vision Systems
- **Professional:** Leadership, Problem-Solving, Communication, Adaptability, Attention to Detail

## PROFESSIONAL EXPERIENCE

---

**Nokia Solutions & Networks — Graduate Apprentice Trainee**    Sep 2024 – May 2025  
Chennai, India

- Supported cybersecurity infrastructure maintenance to help ensure reliable protection of assets and services.
- Performed initial triage of security alerts and collaborated with analysts to escalate potential threats.

- Applied RPA tools to automate routine tasks and improve team efficiency .

**Nokia Solutions & Networks — Intern**

Dec 2023 – Apr 2024

Chennai, India

- Assisted in testing AI-based vision systems for PCB verification to improve quality control accuracy.
- Provided hardware troubleshooting and maintenance support for production reliability.

**Zoho Corporation — Intern**

Jun 2023 – Jul 2023

Chennai, India

- Contributed to workflow analysis and functionality improvements for Zoho Social.
- Gained exposure to monitoring tools and techniques in platform development.

## LEADERSHIP & EXTRACURRICULARS

---

**Vice President — Rotaract Club of Hindustan University**

2023 – 2024

- Led a 20+ member team to deliver community projects, meeting objectives on time and to high standards.

**Organizer — Inter-Department Cultural Fest “YARONA”**

2023 & 2024

- Coordinated cultural events for 500+ attendees, managing logistics and volunteer teams.

**Best NSS Volunteer Award — Hindustan University NSS Cell**

2024

- Recognized for outstanding contributions to service initiatives and NSS projects.

**Participant — Rotary Youth Leadership Awards (RYLA)**

2024

- Completed leadership training, strengthening teamwork and communication.

## EDUCATION

---

**Ravensbourne University London**

May 2025 – Present

MSc Cyber Security Management

**Hindustan Institute of Technology and Science, India**

2020 – 2024

B.Tech in Electronics and Communication Engineering | CGPA: 8.13/10

## CERTIFICATIONS & TRAINING

---

- Machine Learning with Python — Verzeo, Jan 2022
- Graphic Designer — HSR Hi-Tech Solutions, Feb 2023
- Basics of Machine Learning — Zoho Cop, Jun 2023
- Internship Trainee — Nokia solutions and networks, Apr 2024
- **In progress / preparing:** CompTIA A+, Certified Ethical Hacker (CEH)

## ADDITIONAL INFORMATION

---

**Languages:** English, Hindi, Telugu, Tamil

**Hobbies:** Learning new languages, Music, Photography
